The outside space is wonderful and features a well-tended large garden with mature and colourful shrubs, a gas BBQ and a lemon tree. The owners will offer you free range eggs from their chickens and vegetables from their garden.

You are completely private here, and the peaceful garden has lighting for night-time so you can sit outside and enjoy the stars, have a swim and if you are lucky, hear the unique sound of a Scops owl.

Undeveloped beaches are only 7 minutes' drive, and the local bar/restaurant Vasilias Nikoklis Inn is 20 minutes' walk. If they are busy with weddings, they do not offer food. Local restaurants are driving distance in Kouklia, Anarita and Mandria villages. The well-stocked minimarket the Fruitaria is en route on the B6. It has a butcher, baker, fresh fruit daily and also sells hot food, coffee, cakes and juices. Paphos Town is 12 minutes' drive.

SUNDANCE VILLAS

Nikokleia village is a bird sanctuary and protected area. If you are a bird spotter, then you will like to know that the garden overlooks the River Diarizos valley and you have the Aspro Dam a 5-minute drive away. Examples of birds seen and heard near the Cottage include [Black Francolin](#), [Nightjar](#), [Hoopoe](#), [Collared Flycatcher](#), [Bee eaters](#) and [Scops Owl](#).

The valley has beautiful views and is ideal for walking, and both the Secret Valley and Aphrodite Hills golf courses are nearby.

Home cooked food is now available from Zoe the owner, and you can also order this for your arrival. Chicken and salad, 12 Euro pp. A menu for other homemade dishes will be in the Cottage.

LOCAL AREA

This villa is perfect for clients who wish to be within easy reach of Paphos town and the Harbour yet also experience the slow pace of daily life in traditional Nikokleia village.

If you drive inland, (you can follow the Diarizos valley), you will see the Troodos mountains appear in the distance. Many Cypriots buy their wine direct from the wineries here, most of which are in the foothills of the Troodos mountains. Nelion Winery is a popular choice to visit, at Praitori (Pretori) via the F616. The foothills are home to more excellent wineries, (turn left at Nata) and make your way to Statos-Agios Fotios for Kolios Winery, and then visit Vouni Winery at Panagia. Both serve good pre bookable food, and have great views. There are many good tavernas in the area including Olivio at Anarita village.

Paphos Town has a daily market (not Sundays) and on Wednesdays the villagers bring in their fruit and vegetables to sell. There is easy parking opposite in the municipal car park. It has plenty of history and nightlife, and Blue Flag beaches starting at Geroskipou. Further Blue Flag beaches are Coral Bay and Corallia Beach. Once

past here you arrive at the Akamas National Park and the undeveloped Lara Bay which you can visit on a Jeep Safari. Bumpy, hot and fun!

Having the Paphos highway about 3km away too, you can easily reach Pissouri beach, Limassol, the Rock of Aphrodite, and Curium. Polis and Latchi can be easily reached via the highway into Paphos and then follow the B7.

If you are interested in bird spotting we have a full Report from our Mr Suller who visited this area, in our "[About Cyprus](#)" section on the Toolbar.

I will send you lots more information on Cyprus before you go.
