Villa Katerina is beautifully located in a pecan nut grove in the countryside on the edge of Paphos, just 20 minutes' drive from Paphos airport. Many clients who repeat book here do not hire a car as there is a bus stopping by the gate that can deliver you from Paphos Airport, and we leave a map showing you how to walk or cycle to the beach, Kato Paphos or Geroskipou village.

Villa Katerina has been finished to a high standard by the owner Lambros, whose welcoming attitude (friendly but not intrusive) and hospitality to our guests has ensured the repeat bookings here. The free range eggs and locally grown fruit and vegetables have also been a success.

It has a homely feel, is open plan, and as well as having air conditioning throughout, has mosquito mesh on all windows, to allow cool air in without bugs, and there is a fireplace to make it cosy in cooler months.

The jewel in the crown here is the enormous stunning 10m hand tiled private pool, a real touch of luxury, and better than most pools on the island. At a depth of 1.6m all over you can swim lengths without knocking your knees on the bottom, or use it as a "jogging pool", which is great exercise too.

The secluded south facing sun drenched terraces are ideal for relaxing and eating al-fresco. The property has fencing all around and the poolside cannot be overlooked.

To keep in touch with the outside world Wi-Fi Internet access is provided, and you have TV with local channels and News. We are pleased to advise you that a 2nd shower room with WC has been added, so the villa is now ideal for 2 couples sharing.

Geroskipou village is nearby and has a good selection of tavernas and bars, and a beautiful new pedestrian area near the church. This area is protected from development of houses, and there are sports of all types nearby including the Water park at approx. 500m. Fish Taverna is 800m next to the sea.

We offer 2 adult discounts, by email, on selected dates.

LOCAL AREA

Geroskipou village is nearby and is worth exploring by foot. It has a good selection of tavernas and bars, and a beautiful new stone built contemporary pedestrian area blending well with the colours of the unusual 5 dome Byzantine church of Agia Paraskevi in the square. The small museum here is well worth a visit.

Geroskipou is where they make the sweet Cyprus delights, basket ware and pottery, visibly displayed outside the small shops. On the outskirts of Geroskipou, direction Airport B6 you can find clients favourite Costas Tavern, excellent for meze.

SUNDANCE VILLAS

This area from the village to the sea is protected from development of houses, and there are sports of all types nearby including the Water park at approx. 500m and horse riding.

The walk to the Blue Flag Geroskipou beach of sand and pebble (800m) is easy, and the local bus stopping by the gate for the football fields next door, also goes to the beach, Kato Paphos, Paphos Airport and the waterpark which is 500m. It is also possible to walk to Paphos, (1.5km) and directions will be in the villa.

With the bus stop at the gate, the 3 Euro daily bus ticket is a great way to see Paphos if you fancy a day without driving.

Atlantida Fish Taverna at 800m next to the sea, has a small safe soft sand Blue Flag beach with sun loungers, and grassed children's play area. On Sundays it will be extremely busy, bustling with Cypriot families. Historic Paphos town with its interesting shops, (a mix of old and new), market and beautiful harbour is just 5 minutes' drive. Wednesday is a good day for the market as the villagers bring locally grown fruit and veg in to sell.

Paphos Town has a daily market (not Sundays) and on Wednesdays the villagers bring in their fruit and vegetables to sell. These are often naturally ripened and harvested prior to market, so full of flavour. There is easy parking opposite in the municipal car park. It has plenty of history and nightlife, and Blue Flag beaches starting at Geroskipou. Further Blue Flag beaches are Coral Bay and Corallia Beach. Once past here you arrive at the Akamas National Park and the undeveloped Lara Bay which you can visit on a Jeep Safari. Bumpy, hot and fun!

I will send you lots more information before you go.
